MATH PUZZLES

Each car has a value shown in the boxes below. Find the result of each horizontal and vertical line by __adding or subtracting__ the values of the cars!

Car	Value
Blue (Hudson Hornet)	1
Brown (Mater)	2
Yellow (Cruz)	3
Red (Lightning McQueen)	4

Blue + Yellow + Blue − Red = 7

Blue + Yellow + Blue − Red = 7

Yellow + Brown − Red + Yellow =

Brown − Blue + Yellow + Brown =

Blue + Red + Red − Brown =

Vertical results: =   =   =   =
