

PILOTS

Read the text and answer the following questions!

I am a pilot. I am the person who flies and navigates aircrafts. I receive permission from the flight tower by radio, start the engine and make all technical checks. I apply the take-off, route, descent and landing as planned. After landing and securing the aircraft, I complete my mission. I wear a uniform. I control the aircraft from the cockpit. There is a co-pilot who helps me during the flight. I love my job

because I help people travel to very long distances and I see lots of different places around the world.
